

2024

Helena,
9 years

The Dr. Reddy's API calendar for 2024 showcases beautiful artwork crafted by the children of our global team. With a central theme of **"How to make the world a better place,"** each piece of art reflects the creativity and optimism of children. As you flip through the pages, we hope the positive emotions captured in these artworks accompany you throughout the year.

Wishing you a fantastic 2024 filled with joy and inspiration.
